Virginia Davis
Forkmore
Crewe High School
Crewe, Virginia

Dear Marion,

You are a real "sweetie" even if you can't drive any better than I can, which is pretty bad! I don't know how we got our permits!

We had some good times in that class of yours. All we do is mess up Joe's or the Justifying

You probably ^{think} that the freshmen and sophomores are a pretty "nutty" bunch, you're right!!

I'll tell you right now I love you even if you are a SOPHOMORE. To make it even sadder, you'll be a JUNIOR next year. Well, we all have to go on later. I guess your time just came before mine.

Latin is a dull class, but having you in it has sure pepped Latin up a lot. That'll tell Latin II. They'll murder it!!

I think I'll come and live with you. I doubt if you know why, but ask me and I'll tell you. Here's a hint: (you live near somebody interesting to me.)

I'm looking forward to being with you in good old C. H. S. next year, although it looks like our friends from "Foster High" may be coming here, too!

We'll have to get together this summer and have a gay ole time.

Love you muckly!

Dear Marian,
I have had so much fun this year going around with you and "bumping you off the sidewalk." That's why I like it so much. You never get mad ^{at me!} Keep that way and you will always go a long ways. I have enjoyed everything that we have done together. I hope we will always be this way and we will always go around together. Don't let the boys tease you; they just like it! We will be able to run the Pex Club now and, boys! won't we have fun! I just can't wait until next year. This summer I will try to get the car so we ^{can} go swimming and have fun. Will see you as often as I can! Hope I didn't scare you the night I had the cars (the one and only time). Love ya!

Dear Marian,

Words cannot express just how much fun we've had together this year. You really don't know it is to have a good friend like you. I'll never forget the wonderful times we have spent together, at the show, down at "Bit's", at the center, at the church, and of course riding around. I really have enjoyed every single one of them and I am looking forward to alot more of the same next year. I have also enjoyed being in school with you and especially in "Typing" where we could race each other. Marian I am already looking forward to S.I.P.A. next year for we really had a good time there this year, "didn't we?" Marian I think you would make a real good editor of the "Dispatcher" next year and I do hope you will accept. I want to wish you the best of luck in everything you do. You are a cute girl and real sweet so please stay that way because you will go far in this world. Don't forget to come to see me this summer and we can "cook" up something.

Lots of love,

FOREWORD

The 1954 Railroader is a yearbook with a purpose. With the union of Burkeville and Crewe High Schools at the beginning of this year, many new problems have arisen that must be met by one group of students rather than two.

Throughout the pages of The 1954 Railroader, the Staff hopes to show you around the school, introducing you to its numerous activities, with the hope that by the time you leave, you can say that this has been the best year ever.

LIBRARY CLUB STARTS "WELCOME-BURKEVILLE" MOVEMENT

The Library Club, in its last regular meeting of the year, started "rolling out the red carpet" for the Burkeville students entering CHS for the first time next fall.

The posts of President and Treasurer were the only ones filled. Henry Holt Crittenden was named President and Mary Lee Wilson, Treasurer. These two can transact necessary business and make preparations to welcome the new students.

No. 31

WELCOME, BURKEVILLE!

Various comments have been heard about the consolidation of the Crewe and Burkeville High School departments. Some of them were favorable but others were the opposite. Often when we hear someone is coming to visit us, we say "Oh, I don't like them." Too many times we make a hasty decision and don't really know whether we like the person or not. This could be true with those who are not in favor of consolidation.

We should also keep in mind the advantages of having a larger enrollment. First, more subjects will be offered, such as Latin I and French II the year after next.

CHS OPENS TO RECORD CROWD

WEATHERMAN HELPS TO EXTEND WARM WELCOME

WELCOME!

Now that school has opened once again, everyone seems "rarin' to go. As you roam the halls and enter the classrooms, you see many new faces covered with smiles.

We students at CHS wish to welcome all these new students from Burkeville and elsewhere. Let's all try to make this a pleasant year and one to be remembered. How about it?

We all know that some of the classrooms are a little crowded, but we think everyone can overlook this problem and try to make the most of our new opportunities. So, come on, all of you CHS students and put out the "Welcome Mat" for our new student friends.

Two hundred fifty-six high school students were on hand in the sizzling temperature of opening day to meet CHS's new principal and teachers, and to run through a brief schedule of classes.

Burkeville contributed the largest number of new faces, but others came from more distant points. It is several years since CHS has housed such a large group.

Wednesday morning, the student body met Mr. O. R. Layman, Principal, who came to Crewe from Vinton, Virginia.

At the opening assembly Mr. Layman introduced the faculty to the student body. New members include Mrs. Dorothy France, who transferred from Crewe grade school; Mrs. Gwendolyn Paulson and Mrs. Janet Durkee; Mrs. Louise Harris, Mr. Philip Boepple, and Miss Irwin Staples, from the Burkeville faculty.

Returning to CHS from last year's group are; R. J. Golubic, J. S. Clingenpeel, Henry B. Micks, Mrs. Louise McKissick, Miss Lucy Fitzgerald, Mrs. Geraldine Hagberg, Mrs. Elizabeth Wilson, and Mrs. Mildred Dupriest.

The Ace of Clubs, organized in Crewe High School in the early thirties, showed its age in its 1953 initiations. In the Assembly program given during initiation week, the girls staged a style show of fashions of that era and the late twenties. The candle lighting part of the formal initiation was more impressive in reality than pictorially. The Club inaugurated what it hopes will become a custom when it entertained at an Alumnae Tea, January 2, 1954, at the Community Center. A list is being compiled of former members and their addresses so that this affair may continue to grow. Sponsoring baseball is still the Club's major objective.

"Ag" students are especially grateful to the school board for the new building and facilities provided for the advancement of the program.

The Crewe FFA Chapter has 28 members, 100% of the V.A. students, with J.S. Clingenpeel as adviser. Meetings are held on the first Tuesday of each month and all members participate in the Chapter's program of work which includes educational, leadership, and recreational projects.

FFA SLOGAN: "Learn to do by doing."

FFA MOTTO: Learning to do
Doing to learn
Earning to live
Living to serve

The FFA organized a KVG Crew and received instruction in how to make fire lanes to protect the forest.

4-H members always "clean up" after a party.

This is the first year that the Southside 4-H Club has been able to meet during school hours at the school. This has meant an increase in numbers as well as activities.

Many Southside members can be identified in this colony powwow.

WE SALUTE OUR SPONSORS

For several years, the business firms of this community have shown their interest in Crewe High School by sponsoring pages in The Railroader. Their willingness to endorse this type of advertising makes it possible for us to publish a book containing more pages than would be possible with the traditional type of goodwill advertising.

We trust that all of the readers of this book will, in turn, show their appreciation to these merchants by their patronage.

YOUR ANNUAL STAFF

has endeavored to record in this book the activities of the first year of the Crewe-Burkeville consolidation. A glance at the preceding pages will be proof that it has been an active, happy year. The pages of the Spring Supplement which will come to you in the late summer, will bring further proof that the identity of the two schools has been lost in the new, larger one.

As in several years past, the Staff is grateful to Miss Kay Crittenden, who took a great many of the pictures appearing in this book; and to Mr. Don Green and a number of students who volunteered pictures for our use.

On this page you see the Staff at work. Editor Henry Crittenden and Associates Joyce Brunk and Anne Thompson proofread copy

in the Library... Photographer Becky Lail catches Betty Jo Newcomb at work identifying pictures... John Jenkins and Mary Lee Wilson prepare a Copy form sheet... Nancy Lunsford and Carolyn Smith check over the placement of ads... Virginia McCormick checks on the costs... While Mrs. Hagberg coaches the Sophomores who are new at the job.
